

WFL ONE-LOFT PIGEON RACE DUBLIN, IRELAND

We are offering €10,000 guaranteed top prize for the 2012 One-Loft Race

This is a great opportunity for all pigeon fanciers in Ireland or Europe to have a chance to win a great prize and at the same time giving fanciers the opportunity to enjoy themselves whilst we look after your birds and you see the results.

We have purposely designed and built a brand new loft to house the pigeons. This loft is based on our own lofts with the best perches available and the best air flow with fantastically built aviaries which are up from the ground so they will always be in good health.

We are also based at the site and have security 24/7 with the added bonus of CCTV to make sure the pigeons are always safe. The loft is situated in Ballyboughal, Co. Dublin, owned and run by Derek & Bernadette Walton and their daughter Tara. With over 30 years in pigeon racing Derek has won and achieved many top prizes in the Skerries Pigeon Club and the Irish National Flying Club. Tara herself has flown under her own name and has been very successful. She has a keen eye for the birds and loves spending time with them.

Entry is open to fanciers from Ireland and Europe. Entry fee will be €120 per bird.

Birds will be accepted from 19th February to 31st March.

The birds will be flown on the darkness system. Birds will be timed using ETS.

Our vet, Dr Francis Scullion, will look after the welfare of the pigeons.

Please view our website, www.pigeonracing.ie, for further details.

Looking forward to having a fantastic time with this wonderful race.
