This concludes the presentation for the 2015 winners, the Champion Awards were also presented but I will include these photographs in a later edition along with the John Trail memorial Trophy and the John Fairbairn shield with the report on our AGM which takes place on 13th February.

I have no doubt that this coming season will bring with it some new faces to the winners rostrum along with the top fanciers who are never far away and always featuring somewhere in the results but the main thing for everyone is enjoy your pigeons.
