*Auctioneer's comment: Having received a call from this year's NIPA OB National winner, Ronnie Higginson, a few weeks ago it was with great sadness that due to continuing periods of ill health with his mother and father, Ronnie has decided to sell the complete stock team housed there. Having seen this team of multiple prizewinning breeders first hand, they are simply awesome, with a similarity throughout every one of them, the mealies and reds are like peas in a pod. This is a sale that I very highly recommend. Proven breeders for sale from a fancier who has supplied countless winners over the years.
