***AUCTIONEER'S COMMENTS:** No fancier has raced more impressively over the last number of years in the mighty NIPA than Jeff Greenaway of Dromore and just confirmed as NIPA Section D Fancier of the Year for the seventh time. Winner of 7 awards in the NIPA 2013, last year was the winner of the famous Waring Cup in the NIPA for Best Average in All National Races. Many thought last year was his best, without any doubt 2013 has for sure been better. One of the outstanding results of the year included taking the first 18 positions in the Dromore HPS with over 600 pigeons competing and as well as winning the Section and Open in the same race Jeff had a further 15 pigeons in the first 32 of the NIPA Open, with over 21,000 competing. This will, without doubt, be one of the top-quality sales of the 2013 calendar. Many references of success from fanciers all over Ireland and the UK in recent years with the Greenaway bloodlines. Come and see the quality for yourself!*
